Hi! My name is Sloane Lux Allen. I am a proud member of the Class of 2013. My name is in honor of Tomecca Sloane, Hillary Allen and our 8th M.C. President, Dr. Jo Allen. My middle name "Lux" serves as a reminder to shine my light into the world. I represent the spirit of the Class of 2013: its vibrancy, diversity, individuality, and excitement for life. I'm wearing the go-to outfit for MCG's: jeggings with a comfy tank and a trendy Aztec cardigan, of course not without my satchel, boyfriend watch, Moon & Lola monogram necklace and my onyx bling. My daisy headband is a reminder of the daisy chain I made with my sisters on Class day and signifies our eternal bond. I've had the memory board beside me since freshman year where I like to document the events and traditions I've gotten to experience. The Class of 2013 shares an inherent drive to serve our local and global community. My alma mater will always have an important place in my heart, but I am excited about my future. I am ready to show the world the strong independent woman Meredith has taught me to be.

Dear Sofia, You have completed your career with a lot of success and prosperity. A marvelous cycle in your life concludes, and a new cycle begins. You are an extraordinary example to follow! Your love, sacrifice, effort, fortress, and perseverance have been an essential part of your achievements. Remember that each moment of your life is very special for all of us. We are very proud of you. Mom, Dad and your sisters

Sara, it seems as though it was just yesterday we left you at the doors of Meredith to further your education. Little did we know then that it would be us who would receive an education from you. Your faith, your decision making, your meeting of challenges, your courage, and your dedication to your studies, to your school, to you friends and teammates has taught us. It has been said that a parent's job is to give their child roots and wings. It is our blessing to see you spread your beautiful wings. thank you for what you have taught us. Thank you for being you! We love you. Mom and Dad Philippians 4:13

 with children has surfaced your innate ability to find
 the strengths in all your students. Your

 numerous masjid events shows your willingness to
 help whenever needed. We pray you retain these
 pleasing qualities.

Letter from the Editor

This is the second year I have been Editor-in-Chief of Oak Leaves. I would like to say it was easier, but truly it was not. I had a set plan on how to do things, but procrastination won again. If it were not for the staff, this book would not have been the success that it is. Without them none of it would have been possible—thank you Abigail, Chelsea, Kaamren, Nikki, Gabby, Sam and Teresa! A much bigger staff than I had ever imagined and an awesome one! Also, a big thank you to our advisor, Dr. Duncan!

Reinvent--the staff and I decided on the theme after a lot of brainstorming. We came up with this one word with the help of our Jostens Advisor Kim Trezona, whom we would also like to thank! It was simply perfect. Reinvent yourself, become all that you want to be. Transform Meredith, but also allow Meredith to transform you! The silhouettes on the cover represent all of the women at Meredith.

The freshmen are represented holding a candle to illustrate their first of many traditions while at Meredith College, the Fire and Water Dinner. They came to Meredith to grow and to learn. Now when they turn the pages of this book they can look back on their first year at Meredith and see the growth in themselves as they reinvent themselves.

The sophomores are represented by the charm bracelet they received at Charming Evening. Right now they are at their peak, deciding their major, going through many class traditions—Guardian Angel Dance, Charming Evening, Tea for Two, and Class Day. They are slowly forming a new independence and understanding of themselves.

The juniors are represented by their onyx. They now have their Lil' Sis class, their beautiful onyx, and they even found the crook! When they look through this book they will be able to reflect and relive this fulfilling year as they continue on their journey of becoming independent women, discovering what and who they want to be.

The seniors are represented by a diploma. They experienced tunnel painting, senior parent night, 13th night, class day, and graduation—some of the most important traditions at Meredith. Meredith has been their home, and now it is time to reinvent themselves as they adjust to the real world, but Meredith will always be there. When they see this book I hope they will be filled with joy in seeing their senior year in print. I hope they will take what they learned from their time at Meredith, and reinvent themselves to take on the world!

Reinvent, grow and find yourself, find who you truly want to be. Be the woman and the Meredith Angel that you are and spread your joy, your knowledge, and your love to everyone you meet. Leave an impact and encourage others to reinvent themselves, too. We are forever changing, so take advantage of it, and reinvent your best you.
